

Awards and Recognition 2000-2010

Diversity has long been a way of life at Xerox. We recognize that we strengthen our work environment by valuing employees with different backgrounds and perspectives. And that creates business opportunities.

Today, Xerox is recognized as one of the most progressive companies in the world. We've received exceptional praise and numerous awards for building and maintaining an inclusive corporate culture. This page highlights some of the prestigious awards and recognition we've received over the past decade.
